DAY 3: GORILLA TRACKING

Arise early today and prepare for the highlight of your safari, an **unforgettable encounter with the Gentle Giants!**

Following breakfast, transfer to the national park offices where you will be allocated a gorilla family in groups of 8 as well as a gorilla tracking guide. After a pre-tracking briefing by your guide touching on the gorillas generally, your assigned gorilla family as well as appropriate safety precautions, you drive to the trailhead for the start of a thrilling adventure. Expect to walk between 2 and 8 hours in steep and sometimes muddy conditions with rain overhead, which can be tough and require a degree of (average) fitness. However, the thrill of coming face to face with a giant Mountain Gorilla silverback completely makes up for the effort!

Please remember to bring your passport for registration, appropriate, water proof hiking boots and a light rain coat. To protect from stinging nettles, we recommend long pants and long sleeved tops. A pair of old gardening gloves can help grabbing onto the vegetation while most hotels/lodges provide a walking stick that come in very handy especially when hiking downhill. A small waterproof backpack is an excellent idea to carry a light snack, bottled water as well as protection for your camera.

Upon sighting the gorillas, you spend the allowed one hour with them as they go about their daily life; feeding, moving, playing, raising their young and sometimes wrestling by the juveniles – it is a totally unique and unforgettable experience!
